

**REMARKS**

This Amendment is being filed to correct some minor typographical and grammatical errors in claims 1 and 35; correct dependencies in claims 4, 6 and 37; remove redundant language from claims 7, 9, 13 and 35. No substantive amendments that change the scope of the claims are being made. For this reason, Applicants respectfully request entrance of this Amendment prior to issuance of the present application.

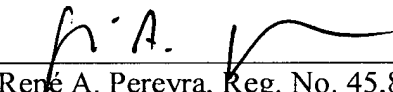

It is believed that no fees are due with this Amendment. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayment with respect to this patent application to deposit account number 13-2725.

Should any issues with this Amendment need to be resolved, the Examiner is requested to telephone the undersigned attorney to resolve those issues.

Respectfully submitted,

Dated: July 10, 2006
